

# PLACER HILLS - NEWCASTLE FIRE PROTECTION DISTRICTS

Placer Hills and Newcastle Fire Districts, along with all Fire Agencies in Placer County utilize the KNOX Rapid Access System. This ensures rapid entry into facilities and through security gates in time of emergencies for fire agency resources.

KNOX devices are high security devices that can only be accessed by local fire agencies in emergency situations. Only fire district resources have access to KNOX keys.

To purchase a KNOX device visit: [Emergency Key Box - Knox Rapid Access System \(knoxbox.com\)](http://knoxbox.com)

When purchasing your device you will be asked your state location and the fire agency that serves your area. Please put in:

## **Western Placer Co Fire Chief Assoc**

(Do not use Placer Hills Fire District or Newcastle Fire District, they are no longer in use)

Once you submit your order it will show pending until approved by the Fire District. Once approved your order will be fulfilled.
