Re: Fire Services Agreement

Dear Chairman Bettencourt:

Please be advised that the Placer Hills Board of Directors, at its regularly scheduled Board Meeting on June 26, 2019, approved the Newcastle FPD Fire Services Agreement for the Fire Chief, Duty Chief and District Manager Services for fiscal year 2019/2020, effective July 1, 2019.

Since the Placer Hills ad-hoc committee did not have an opportunity to meet with representatives of Newcastle prior to the approval of the agreement, we are attaching to this correspondence, a copy of the fiscal analysis which was the basis of the contract amount for fiscal year 2019/2020. It was the intent of Placer Hills' ad-hoc committee to share this information at a pre-approval meeting of the two agencies. However, if you have any questions, please contact us.

It may be prudent for the two agencies to sit down and discuss items directly related to the agreement at a time convenient to both parties. Our ad-hoc committee had intended to bring forward a discussion on the topics of fire prevention services and apparatus maintenance and repairs services. We would appreciate the opportunity to conduct future discussions related to these two topics.

We look forward to our continued relationship with Newcastle FPD and the implementation of the mutually approved agreement for the coming fiscal year.

Respectfully Submitted,
