Mr. Kenneth Kolster
Newcastle Fire Protection District
PO Box 262
Newcastle, CA 95658

Dear Mr. Kolster:

On behalf of the Sierra College Foundation, I want to thank you for your generous donation of Hurst Extrication Equipment including: 1 combination tool, 1 cutting tool, 1 ram, ram extensions, 2 hoses, 1 power plant and hydraulic fluid to the Fire Technology Program. We apologize for the length of time it took to send you a thank you note, but there are several steps the College is required to take to accept an in-kind gift, including approval by the District Trustees. We deeply appreciate your contribution and your commitment to Sierra College and its students. We continue to strive to help students who deserve support and a chance to grow and learn.

Sierra College Foundation's mission is to give the members of our community the opportunity to assist and invest in the development of quality educational opportunities for all. Meeting the needs of our community and college is a daunting task, but is made easier because of people like you.

Again, the Sierra College Foundation Board of Directors and Staff thank you for your generosity and support. If you have any questions, please do not hesitate to contact us at (916) 660-7020, or visit our website at www.sierracollege.edu/foundation.

Sincerely,
