Hi Phil,
I don't foresee any problems or issues getting service to that location...
It's also close enough to our central office where DSL with fairly good transfer rate is also available.

Please see the attached documents that explain our processes and requirements and give me a call if you have any questions.

Take care!

Cam Moore

Subject: Newcastle Fire Station

Cam, as we discussed, see attached location for the proposed fire station.

Thank you.

Phil Herzer, P.E.
