Review comments

Dear Ms. Rath,

We have received the staff review comments via email from Maywan Krack, Environmental Coordination, dated July 30, 2014 and propose the following responses:

Environmental Health Services Comments

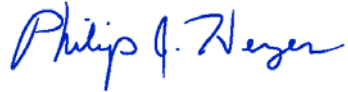

- Provide a “water availability” or “will service requirements” letter from San Juan Water indicating that they can provide domestic water service to the proposed project.
Response: “Water Availability” letter from PCWA dated 7/21/14 is attached. The letter notes that “Water can be available for APN 040-179-013 from the Agency’s 8” treated water main located in Old State Highway.”
- Provide a sewer “will serve requirements” letter from SPMUD indicating that they can provide sewer service to the proposed project.
Response: Sewer “will serve requirements” letter from SPMUD dated 7/21/14 is attached. The letter notes that “The above project is within the service area of the South Placer Municipal Utility District, and is eligible for sewer service.”
- Provide a will serve letter from Recology indicating that they can provide service for solid waste collection for the proposed project and that the proposed trash enclosure will meet the minimum specifications.
Response: See attached will-serve letter from Recology dated 8/29/14
